Re: Fernandez, Clara v. Fernandez, Raul
Case No.: 2005-CA-199-K

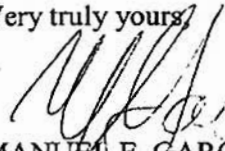

Dear Ms. Betancourt:

Please notify Dr. Manuel Pena that my clients, Clara and Al Fernandez, would like to allow him an opportunity to visit them in West Palm Beach. The purpose of this visit would be to allow Dr. Pena to meet with both Clara and Al and alleviate any concerns he might have for Clara's wellbeing. Please contact me in order to arrange the visit at mutually convenient time.

Additionally, my clients feel that it would be in everyone's best interest if Dr. Fernandez came to West Palm Beach and moved in with Clara and Al. Perhaps Dr. Pena could influence Raul to allow the move.

I look forward to your forthcoming cooperation.

Very truly yours,

MANUEL E. GARCIA
